Organized by – Vanaj, The Commerce Society

Date – 3rd April, 2019

No. of Participants - 40

This year begin with a new and exciting webinar by MASH PROJECT Foundation on Make Roads Safer and First Aid Training for Youth on 3rd April 2019. The seminar was so knowledgeable, students were informed about how to tackle emergencies. Various games and activities were performed to have a more significant influence. Students were provided with Certificates and Training materials. It created tremendous awareness and helped a lot. Many students participated in the event.

The event was named Make Roads Safer with Jubilant Foodworks Ltd. (Dominos Pizza and Dunkin Donuts). The initiative aimed to create awareness around road safety and to train youth on providing emergency response-aid through experiential workshops.

It was an interactive and practical-based First-Aid Training Session for young college students across different states. The training aimed to train the students on how to handle any casualty and avoid a loss of life during an emergency especially during the first hour after the trauma, called the "Golden Hour". The session was conducted for one hour on 3rd April 2019

Practical training was provided to train the youths to tackle emergency situations. All the participants received Certificates and Training material for the workshop.
