The farewell ceremony takes place on google meet, where everyone joined and our seniors too. The invitations were sent to the seniors and teachers to join the ceremony at the required time. Vanaj members made a fantastic video for the seniors. Various games like Tambola, Guess the movie, Gesture Game were played. Everyone gave tags to the seniors, and they were gifted photo collages. It was a lovely evening. The ceremony ended with a vote of thanks where everyone represented their feelings and thoughts about the seniors through words. Seniors also say few words for each of the juniors and bid goodbyes. The whole Vanaj Family Thanked seniors for their Guidance, Love, and Support.
