Main Ideas

The main idea of the event was to educate the students to explore the evolving role of India in shaping the geopolitics of the Indo-Pacific and the challenges it poses.. It enable the students to understand and deliberate upon issues such as the current topic Geopolitics of Indo-Pacific: The India Challenge .The Way Ahead which is a much discussed and debated topic in our country. this talk will delve into the geopolitical dynamics at play, examining India's interactions with key factors such as China, the United States, and regional partners.

In this talk students participated with much enthusiasm and put forward their questions openly on the Geopolitics of Indo-Pacific. Many different views and arguments came into light when students questioned about the topic. The speaker also gave his feedback and opinions to the students regarding his understanding and view points that had been put forward during the Talk.

Vote of thanks
