Main Ideas

The main idea of the event was to educate the students about issues related to gender and different important issues going on in the country. It enable the students to understand and deliberate upon issues related to the current topic 'Unpacking Gender' which is a much discussed and debated topic in our country.

In this lecture students participated with much enthusiasm and put forward their questions openly. Many different views and arguments came into light when students questioned about the pros and cons of feminist ideology. The speaker also gave her feedback and opinions to the students regarding her understanding and view points that had been put forward during the lecture.

Vote of thanks
